

Patient Name: _____

You are scheduled for surgery at SSM Health DePaul Hospital on _____

Do not eat anything after midnight the night before surgery. You may drink clear liquids (see approved liquids information sheet) up until 2 hours before your scheduled arrival time at the hospital.

Please stop taking any aspirin and anti-inflammatory medications (blood thinners) for 10 days before your surgery. You may take Tylenol products to help with pain.

You will need a driver to take you home from the hospital.

Someone in our office will call you 2 days before your surgery to confirm the time of your surgery and arrival time.

If you have any questions regarding these instructions, your medications or your postoperative care, please call our office at (314) 291-7900 during regular business hours.

Surgery Check-in: South Medical Building, 2nd floor Surgery Check-In. Park in Lot 2.
